The named applicant to participate in the above-mentioned program is registering with the understanding that certain activities require a minimum level of fitness and health (physical, mental, and emotional) and each person has a different capacity for participating in these activities.

The above named participant warrants being physically fit to participate and understands the choice to participate brings with it the assumption of those risks and results which are part of their participation.

They furthermore waive and release the Northeast College and their staff from all liability for injuries which may occur while participating in the above program and will hold the Northeast College and its staff harmless for all medical expenses incurred.

NON-MEMBER ATHLETIC CENTER UTILIZATION PRIVILEGES

The Northeast College Department of Health & Fitness is pleased to continue to provide the opportunity for the above-named individual to participate in the instructional program listed above.

In doing so, there are a few Athletic Center facility rules which need to be adhered to:

The participant will be required to present their valid program pass to the front reception desk upon entering the facility for each scheduled class. Passes will be distributed at your first class.

The named program participant is eligible to participate in only the program they have registered for on the given dates, times and location of the program.

Athletic Center privileges will not be extended to any other person other than the registered participant.

Children are not permitted into classes that they are not registered for.

Use of the Athletic Center is a privilege. Acceptable conduct must be observed at all times. Anyone violating policies, misusing equipment or engaging in inappropriate behavior, including verbal and physical abuse of employees and patrons is subject to immediate removal and loss of privileges. No refunds will be granted.

I have read and understand the above Athletic Center facility rules concerning my participation in the above named program.
