

Curriculum Vitae

Nina Stenshorn, BS, RDMS, RVT

EDUCATION

Bachelor of Science in Diagnostic Medical Sonography

Rochester Institute of Technology

2011

PROFESSIONAL APPOINTMENTS

Instructor, Diagnostic Medical Sonography Program

Northeast College of Health Sciences

June 2024–Present

- Teach didactic and laboratory courses in abdominal, OB/GYN, and vascular sonography as well as sonographic physics.
- Develop course materials, assessments, and simulation activities.
- Participate in accreditation preparation and program assessment activities.
- Participate in comprehensive curriculum redevelopment

Per Diem Adjunct Instructor, Diagnostic Medical Sonography Program

Rochester Institute of Technology

January 2014–August 2014

- Prepared students in the Diagnostic Medical Sonography program for clinical rotations by observing, assisting, and assessing scanning technique.
- Taught and demonstrated proper technique and protocol for all exams.
- Helped students identify anatomic structures while scanning.
- Prepared students for competencies at RIT and future clinical sites.
- Evaluated student's ability to complete thorough and accurate scans

Clinical Sonographer (Per Diem)

Vascular Surgery Non-Invasive Lab, Inc.
June 2023–Present

- Perform vascular ultrasound examinations on inpatients and outpatients of all ages, body types and states of health.
- Assist physicians by scanning in the operating room.
- Maintain clinical competency and current knowledge of sonographic practices.
- Assist in training new hires.

Clinical Sonographer (Full time, General and Vascular Sonography)

2011–2024

- Vascular Surgery Non-Invasive Lab, Inc.
June 2023-June2024
 - Saint Peter’s Health Partner’s Medical Associates-Vascular Associates
September 2018-May 2023
 - The Vascular Group, PLLC-Karmody Vascular Lab
July 2016-August 2018
 - Thompson Health
June 2011-July 2016
-

TEACHING EXPERIENCE

Courses Taught

Diagnostic Medical Sonography Program

- Sonographic Principles
- Sonographic Principles OB/GYN I
- Clinical Education I & II
- Sonographic Physics
- Sonographic Anatomy & Physiology II
- Sonography-Vascular

Curriculum Development

- Collaborated with faculty in the review, revision, and continuous improvement of program curriculum to align with current practice standards and accreditation requirements.
 - Integrated case-based learning and real-world scenarios into coursework to strengthen critical thinking, clinical reasoning, and decision-making skills.
 - Created formative and summative assessments modeled after national credentialing examination formats.
 - Designed laboratory competency evaluations to measure student proficiency in scanning techniques.
 - Participated in curriculum mapping and alignment of course objectives, learning outcomes, and assessment strategies across the program.
-

CLINICAL CERTIFICATIONS

American Registry for Diagnostic Medical Sonography (ARDMS)

- Registered Diagnostic Medical Sonographer (RDMS)
 - Abdomen
 - OB/GYN
- Registered Vascular Technologist (RVT)

Additional Certifications

- Basic Life Support (BLS)
-

PROFESSIONAL DEVELOPMENT

Continuing Education

- ESP Sonography Review Seminar- Abdominal Sonography (2025)
 - ESP Sonography Review Seminar- Ultrasound Physics (2025)
 - ESP Sonography Review Seminar – Vascular Technology (2025)
-

SERVICE

Institutional Service

AI Taskforce Committee Member

2025-Present

Department Service

Sonography Program Coordinator

Diagnostic Medical Sonography Program

2025–Present

Faculty/Staff Search Committee Member

2025–Present

Community Service

Provided volunteer support to a local veterinary clinic in the installation and configuration of ultrasound equipment.(2026)

PROFESSIONAL MEMBERSHIPS

- Society of Diagnostic Medical Sonography
- Society of Vascular Ultrasound
- Association of Educators in Imaging and Radiologic Sciences
