Springer Nature Comprehensive Clinical Medicine, 2022, 2023, 2024

Teaching Experience and Presentations

- 2008-Present Northeast College of Health Sciences (formerly New York Chiropractic College)
Doctor of Chiropractic Program
Lead Instructor
Bone and Joint Radiology, lecture and lab (current)
Advanced Imaging, lecture and lab (previous)
Principles of Diagnostic Imaging, lecture (previous)
Issues in Chiropractic Research, lecture (previous)
- 2008-Present Northeast College of Health Sciences (formerly New York Chiropractic College)
Doctor of Chiropractic Program
Assistant Instructor
Correlative Patient Assessment, lab (previous)
Radiographic Examination, lab (previous)
Patient Assessment 1, lab (previous)
Spinal Radiology, lab (previous)
Extremity Radiology, lab (previous)
Upper Extremity Adjustive Technique, lab (previous)
- 2011-Present Northeast College of Health Sciences (formerly New York Chiropractic College)
MS in Diagnostic Imaging Program
Lead Instructor. Several courses listed are given as separate intermediate (int.) and advanced (adv.) classes
Int. and Adv. Infectious Disorders of Bone
Int. and Adv. Hematopoietic, Metabolic, Endocrine, Nutritional Disturbances of Bone
Int. and Adv. Chest Imaging
Int. and Adv. Neoplastic and Neoplastic-Like Lesions of Bone
Int. and Adv. Arthritides
Int. and Adv. Gastrointestinal/Genitourinary Imaging
Int. and Adv. Internal Derangement of Joints
Int. and Adv. Physical Injury of the Skeletal System
Int. and Adv. Neuroimaging

Congenital Anomalies and Skeletal Dysplasias
Principles of Diagnostic Imaging
Teaching Practicum 1, 2, 3
Thesis 1, 2, 3
Special Topics in Clinical Radiology 1, 2, 3

1998-2001 WSCC Department of Radiology
Radiology resident with course lead and assist duties
Bone Pathology 1-3
Radiographic examination 1-3

Postgraduate Continuing Education Instructor

2024 American Chiropractic Association Council on Diagnostic Imaging
Spring Symposium, MRI of the Knee and Shoulder, 4 hours

2023 Northeast College Department of Postgraduate and Continuing Education
Webinar: MRI of the Wrist and Hand, 2 hours
Webinar: MRI of the Hip, 2 hours

2022 LearnACA (American Chiropractic Association) Webinar
MRI Readout Session with a Chiropractic Radiologist, 1 hour

2022 Northeast College Department of Postgraduate and Continuing Education
Webinar: MRI of the Hip, 1 hours
Webinar: MRI of the Elbow, 2 hours

2021 International Federation of Sports Chiropractic (FICS)
Imaging Sports Injuries, 9 hours

2021 Northeast College Department of Postgraduate and Continuing Education
Webinar: MRI of the Shoulder, 3 hours

2021 American College of Chiropractic Radiology 2021 Residency Workshop
Cases in Neuroradiology, 1 hour

2021 American College of Chiropractic Radiology 2021 Symposium
Panelist: Challenge of the Unknown, 3 hours
Member presentation: Cases in Chiropractic Radiology, 1 hour

2021 NYCC Department of Postgraduate and Continuing Education
Webinar: Shoulder MRI, 1 hour

2021 NYCC Department of Postgraduate and Continuing Education
Webinar: Brain Imaging, 2 hours

2021 Association of New Jersey Chiropractors
Webinar: Case Based Imaging, 2 hours

2020	NYCC Department of Postgraduate and Continuing Education Webinar: Ankle MRI, 1 hour
2020	NYCC Department of Postgraduate and Continuing Education Webinar: Knee MRI, 1 hour
2020	NYCC Department of Postgraduate and Continuing Education Homecoming: Read out with a Radiologist, Approaching Sports Injury MRI, 2 hours
2019	NYCC Department of Postgraduate and Continuing Education Webinar: MSK MRI for Monday Morning, 6 hours
2019	Association of New Jersey Chiropractors MRI of the Spine and Extremities, 5 hours
2019	American Chiropractic College of Radiology Annual Symposium Panelist: Challenge of the Unknown
2019	American Chiropractic College of Radiology Annual Symposium Diagnostic Imaging Resident Educational Workshop, 3 hours
2019	NYCC Department of Postgraduate and Continuing Education Webinar: Pragmatic MRI of the Spine and Extremities, 1 hour
2019	NYCC Department of Postgraduate and Continuing Education Certified Chiropractic Sports Physician: Sports Radiology, 2 hours
2018	Association of New Jersey Chiropractors Update on Musculoskeletal MRI, 1 hour webinar
2018	NYCC Department of Postgraduate and Continuing Education Webinar: Complex Case Management: Cervical Radiculopathy – Diagnostic Imaging, 1 hour
2018	NYCC Department of Postgraduate and Continuing Education MSK MRI for Monday Morning, 6 hours
2018	NYCC Department of Postgraduate and Continuing Education Disc Pathology Classification on MRI, 1 hour
2018	NYCC Department of Postgraduate and Continuing Education Imaging of Spinal Stenosis and Related Conditions, 1 hour
2017	NYCC Department of Postgraduate and Continuing Education Certified Chiropractic Sports Physician: Sports Radiology, 6 hours
2017	NYCC Department of Postgraduate and Continuing Education Webinar: Traumatic Skull and Brain Injuries, Concussions, Spinal Trauma, 2 hours
2013-2015, 2017	NYCC Department of Postgraduate and Continuing Education

2014 Pragmatic MRI of the Spine and Extremities, 3 hours
American Chiropractic College of Radiology Annual Symposium
Panelist: Challenge of the Unknown

2014 NYCC Department of Postgraduate and Continuing Education
North Carolina Chiropractic Asst. X-ray Technician CE, 6 hours

2012, 2016 NYCC Department of Postgraduate and Continuing Education
Practical Musculoskeletal Radiology, 3 hours

2011 NYCC Department of Postgraduate and Continuing Education
Radiology Made Interesting, 6 hours

2010 NYCC Department of Postgraduate and Continuing Education
Musculoskeletal MRI, 5 hours

2009 NYCC Department of Postgraduate and Continuing Education
Radiology Made Interesting, 6 hours
Homecoming: Imaging of Spinal Trauma, 1 hour

2003-2008 Lecturer, chiropractic continuing education on radiology
Viewbox Session with a DACBR (10 hrs, 5 classes)
JR Weltch CE Seminar "The Class" (5 hrs, 191 classes)
California Chiropractic Association (5 hrs)
Convention Speaker, 2005, 2006, 2007
International Chiropractic Association of California (5 hrs, 45 classes)

2000 Continuing Education Program, Full & Limited Permit Radiologic Technologists,
WSCC, Portland, OR
